

"Giving Children a Leg Up On Life"

July 8, 2010

Mr. Vaughn Silar, Jr.
President
Paragon Engineering Services
2201 South Queen Street
York, PA 17402

Dear Vaughn,

I am writing to express my sincere thanks to you and the rest of the team at Paragon Engineering Services. Today is one of the hottest days on record and everything at Leg Up Farm is functioning perfectly and every space inside our building is extremely comfortable. Today...I can truly appreciate all of your work!

The services that your company provides are so valuable both during and after construction and have financial impact on the operation of a business. Throughout all phases of the project, I felt as though you were looking out for the best interests of Leg Up Farm for the long term. Your team always responded quickly to my needs and met our deadlines. A job well done in my book and hard to find in the current business environment!

Thank you for caring about our business and the children that are using this facility!

Sincerely,

Louis J. Castriota, Jr.
President & CEO
